Subject: Request for Name Transfer of Vehicle Ownership.

Respected Sir,

I hope you are doing well. I am writing to formally request the transfer of ownership of my late father's vehicle to my mother's name. Unfortunately, my father, [Seeta Reddy Devarapalli S/O Devarapalli Koti Reddy], passed away on June 11, 2024, and as his legal heir, I would like to proceed with updating the vehicle registration accordingly.

We have no objection to this transfer and are willing to provide any necessary documents to facilitate the process. Kindly let us know the required formalities and any additional paperwork needed to complete the ownership transfer.

Thank you for your time and assistance. I look forward to your response.

Car Model: Hyundai I20 Asta White color – TS29A3555
